Dear Tony,

Thanks for your letter of 11 February; I hope that everything is going well at I.B.M. for you.

With regard to the C16 Classics II pack; you were correct in assuming that the royalty is 15p per unit sale. The sales for this pack were 4900 as at 10th February 1986 which for five days sales isn't too bad at all. A full statement will be forwarded to Jason when the royalties on the product become payable at the end of March.

I enclose copies of all your royalty statements to date, showing the current sales figures as requested.

Finally, how about blowing the dust off your computer and earning a bit more money this year? Interested? You should be!

Awaiting your response,

Yours sincerely,

IAN STEWART
